THE BRIDGELAND VETS 2021 TURKEY GIVE AWAY

On November 19, 2021, The Bridgeland Community Supports Veterans, Inc. gave away about fifty turkeys to veterans living in Bridgeland who signed up for a free turkey. We want our veterans to know that we are always thankful for their service and will remember their sacrifice. We had unexpectedly two Bridgeland teenage boys on bikes offer funds and one lady in line at Costco gave us \$20 to buy more turkeys. Many thanks to our local Costco on Hwy 290 for their monetary

donation towards the purchase of the turkeys. A huge thank you to the Bridgeland community for their donations and support of the Bridgeland Fun Run/Walk for Heroes 2021, which funds are used to support our veteran activities.

BRIDGELAND WELCOMES NEW BOARD MEMBERS

Please give a big welcome to our newest Board Members Hugh Konigsmark, Mike Houghton, and Keith Nystrom who serve with our other directors Chairman Bob Thomas, Kay Burkhalter, Emilio Rodriguez, and Walt Bohn.

Bridgeland Garden Club's Fortune Daffodil Bulb Sale a Success

Many thanks to those residents and friends who bought hardy Fortune Daffodil Bulbs in the fall of 2021. We sold all the bulbs needed to pay for the purchase of about 2,700 daffodil bulbs recently planted in parks in Lakeland & Parkland Village. Many thanks to The Spencer Company who planted all the bulbs for free. The Daffodil symbolizes rebirth and new beginnings because it is one of the first to bloom after winter frost. Look for its yellow petals and golden center cup in late February or early March.

An Open Letter of Gratitude

Long Way Home Texas was fortunate enough to present Honkytonk for Hope, benefitting pediatric transplant patients, to the Cypress community on November 13th, 2021. When we started this endeavor, we were just a group of knuckleheads with a crazy idea, wanting to give back.

We had no idea how much our lives would be impacted. The generosity of Cypress, local businesses, and Texas artists from all over was simply amazing.

On a beautiful Saturday afternoon, we raised \$42,000 to assist the families of these children with our first event.

We chose as our benefactor of the event the Children's Transplant Initiative, a local 501c3 charity that works directly with these families. Founders Ross and Cheryl Witty are some of the most amazing human beings who enabled us to cut out the middleman and assist these families directly.

What most people don't know, is that, depending on the organ, as of 2017 the average transplant costs \$932,337.00 in medical expenses alone. For a significant portion of the actual medical expenses, there are mechanisms and organizations to provide relief.

The immediately crippling expenses no one thinks of are the ancillary costs. Temporary housing, food, parking, insurance premiums, and assistance with lost wages because of a parents need to be with their child in those teetering moments between death, and the hope for life.

Our organization is named after a song by local artist, Hayes Carll. The lyrics that capture my heart, and exemplified by these children like Oliver, go as follows:

*"You weren't askin' much at all,
Just catch you when you fall.
On your own, the long way home
What's that sadness in your smile
You've been cryin' all the while
Could you lean upon my shoulder
I guess you'd die to just get older"*

My most heartfelt gratitude goes out to our host, The Barn at the Frio Grill, our very generous sponsors, the dozens of volunteers who selflessly gave of themselves to help us, the artists from all over our beautiful state who came performed, Scott Hall of LEL Photography, and the hundreds of Cypress citizens who came out and supported us.

I'm just a simple kid who grew up in the area and loves Cypress and its people. Once again, proving that Texans are always there in a time of need, Cypress did not fail to deliver. From the bottom of my heart, thank you.

If you would like to know more, get involved, or would like more event info, please visit our website at www.lwhtexas.com.

In most humble gratitude,
Michael Broussard
President – Long Way Home Texas

In a Mother's Words

After a tragic 8 months in which we lost my stepfather, father, and sister, our family began a journey that would change our lives. We adopted my sister's son, full well knowing he had Alagille Syndrome. We weren't sure if he would survive but he has shown that not only is he a fighter and survivor, he's also the light of our lives.

Thankfully, another family made the hardest decision to donate organs and Oliver got his new liver in March of 2019. He was given another chance to lead a full and happy life, with some additional requirements. Oliver takes many different medications daily to ensure his body doesn't reject the new liver and to make sure his other organs aren't being adversely affected by the Alagille Syndrome. He has a specialist for every organ in his body and has ongoing appointments with them regularly.

Oliver has occupational, physical, and speech therapy often. Home health nurses are with him around the clock to ensure he is receiving the very best care. Oliver has had multiple heart surgeries since the liver transplant and he will require more surgeries in the future.

All of these medical interventions are necessary to ensure he stays healthy but they have also had other impacts on everyone in the family. We went from being a family of 4 to a family of 5 overnight. I had to quit my job to be with Oliver since he was in the hospital for the first nine months we had him. He requires so much care that it is impossible for me to work outside the home.

Having strangers in our home to help with him all the time has also been an adjustment for all of us. My older boys have had to deal with Oliver taking much of their parents' attention - and they have handled it with grace and huge love for their new little brother.

Fortunately, we have been able to meet some fantastic people along the way who have made this process a bit less stressful. When Oliver first came into our lives, we started a Facebook page for him so our family and friends could keep up with the daily changes to his health. We received such an outpouring of support and encouragement from the people on this page. Oliver became locally famous this way and to date the page has over 800 followers!

While we were at Texas Children's Hospital, we met the people with The Children's Transplant Initiative. They have a mission to empower, inspire, and give hope to children and their families who are involved in the transplant process. They provide spiritual, emotional, and financial support to families at the Texas Medical Center. They were, and are, a huge help to my family.

More recently, we were blessed to be a part of Long Way Home Texas, a charitable organization benefitting transplant recipients in the Houston area. They recently began to host events in which all profits are utilized to help families pay for ancillary costs not covered by insurance. These costs include food, short-term lodging, parking and other expenses incurred due to catastrophic medical issues. This past November, we were blessed to have been a part of their Honkytonk For Hope event where 14 local (and not so local) musicians performed. At the event, merchandise was sold, money was raised through auctions and donations, and a wonderful time was had by all. The event raised over \$40,000!

It is through foundations such as Long Way Home Texas, as well as donations from individuals to our PayPal and Venmo accounts, that make it possible for us to continue to support Oliver. We thank God every day for the generosity of strangers and the care and love we receive from our family and friends. We are excited to see what the future holds!

EXCEL URGENT CARE HAS MOVED

By Jackie Devine

Excel Urgent Care has moved from Cypress Towne Center to 25402 Northwest Freeway at Skinner Road—next to Pluckers and Exclusive Furniture—across from Cypress Metro Park and Ride.

For 15 years, Excel Urgent Care has provided the Cypress community with convenient, compassionate, quality medical care. Now they are proud to offer you the next generation in high-tech, on-demand healthcare services. Their modern new location includes a larger and more welcoming reception area and additional state-of-the-art equipment, services, diagnostics, and technology, including the latest digital X-ray equipment and the most current lab-testing capabilities. Equally important, patients will continue to receive the full array of services they've come to expect, along with the same competent staff they've come to know and trust.

Currently, "urgent care," which includes non-life-threatening injuries and illnesses, comprises approximately 60 percent of their services. On a daily basis, they treat patients seeking help for COVID-19 and other types of upper respiratory infections, sinus or ear infections, urinary tract infections, chest pain, stomachaches, anxiety, and sexually transmitted diseases. The remaining 40 percent of their services are considered occupational medicine, which encompasses treating work-related injuries, administering pre-employment physicals, and drug and alcohol testing/screening, including urine, blood, and hair tests. They proudly serve employers like H-E-B and Walmart, the Department of Transportation (DOT), and smaller local businesses.

The office staff and all their healthcare providers have considerable urgent care, ER, and family practice expertise. The director, Dr. Christopher Ogunro, has more than 24 years of ER and urgent care experience. Dr. Jorge Valencia is a family practitioner with more than 15 years of critical care and ER experience. Dr. Aimee Nwokeji is a family practitioner with more than 10 years of urgent care experience. Nurse Practitioners Dian Hughes, Marissa Pangan, and Amy Mann have extensive ER and hospital-based backgrounds.

All patients receive personalized care. Follow-up calls are made to sicker patients, as well as ER patients, to ensure they are responding favorably to treatment.

Excel Urgent Care accepts all major healthcare insurance and offers reasonable rates for patients without insurance. For more information, visit ExcelUrgentCare.info or call 281.304.1100.

Bridgeland Football Team Advances to Class 6A Regional Final

Submitted by Angel H. Verdejo, CFISD Communication

The Bridgeland High School football team won its regional semifinal round postseason game and advanced to the regional final for the first time in program history.

In the Class 6A Division II playoff bracket, Bridgeland defeated Cedar Hill, 32-18, on Nov. 27 at Waco ISD Stadium. The Bears advance to the Region II final round where they faced Tomball on Saturday, Dec. 4 at Tomball ISD Stadium (20235 Cypress Rosehill Road). Bridgeland was designated as the visiting team.

The Bridgeland football team played its first varsity season in 2018. The Bears have advanced to the playoffs the last three seasons, including 2020's appearance in the Region II semifinals.

"Our community is absolutely amazing," Bridgeland Head Coach David Raffield said following the win. "The community of Bridgeland High School and the things they do for us—from the turkey legs on Thursday to the sendoff on Saturday—are unbelievable. They're the reason we're able to be successful."

Bridgeland is the fifth CFISD football team to reach the regional finals since 2016, with the Bears following Cypress Ridge (2016), Cy-Fair (2017 and 2018), Langham Creek (2017) and Cypress Creek (2018 and 2019) high schools.

Bridgeland HS Football Team Named H-Town Sports Team of the Week

The Bridgeland High School football team won the Allegiance Bank Team of the Week, an award presented by H-Town High School Sports and Allegiance Bank.

Todd Freed, H-Town High School Sports host, and Allegiance Bank representative Kristen Ginsburg visited the team during practice on Dec. 1 and presented the Bears with a plaque. The Bears advanced to the Region II final of the UIL Class 6A playoffs after defeating Cedar Hill, 32-18, on Nov. 27.

Bridgeland Head Coach David Raffield accepted the plaque on behalf of the team.

"This is so exciting for these kids the opportunity to go to the fourth round," Raffield said. "It will be a sellout crowd. What an amazing experience. It will be a memory they will never forget."

Bridgeland will face Tomball on Saturday, Dec. 4 at 2 p.m. at Tomball ISD Stadium (20235 Cypress Rosehill Road).

Lily Fawcett Newcomer of the Year

District 16-6A coaches selected the All-District 16-6A cross country team following the conclusion of each team's 2021 season.

On the girls' side, Bridgeland High School freshman **Lily Fawcett** was named Newcomer of the Year. Bridgeland Head Coach **Tom Kennedy** was voted Coach of the Year.

On the boys' side, Cypress Ranch High School sophomore **Carlo Carabali-Concha** was named Newcomer of the Year. Cypress Lakes High School Head Coach **Franklin Cartagena** was voted Coach of the Year.

District 17-6A does not name an all-district team per the league's current district policies.

The following CFISD runners were named to the All-District 16-6A First and Second girls' teams:

Girls' First Team All-District 16-6A

Name	School
Emily Ellis	Bridgeland
Cassidy Graham	Bridgeland
Allison Millan	Bridgeland
